SOCIAL MEDIA BUTTONS

Pages

Event Information

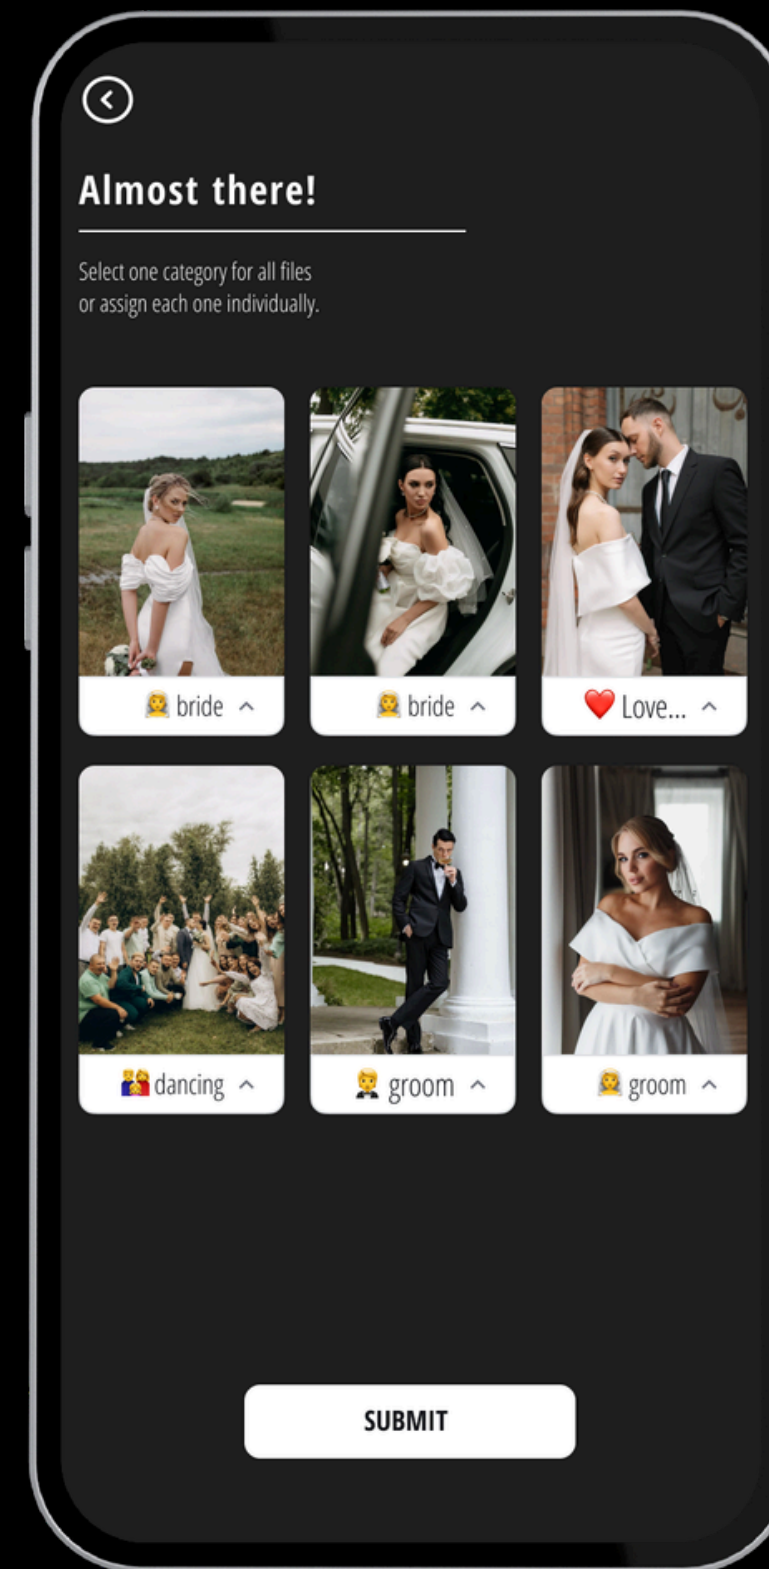

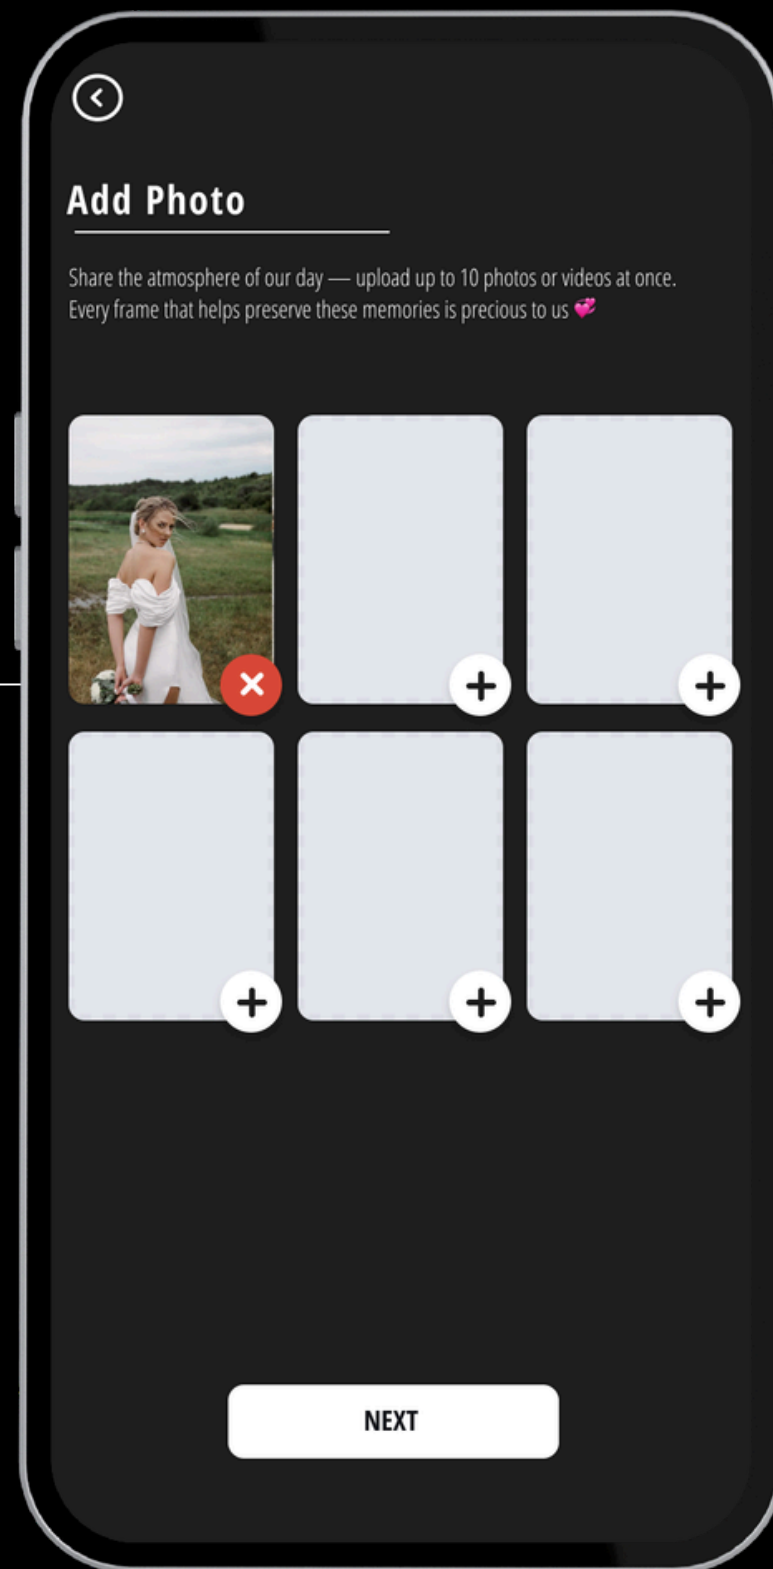

Event description, your photo, and social media links where your guests can read about the event and share their moments with us through your socials.

Pages

Photo and Video Upload

Guests can upload up to 10 photos or videos at a time to share their wedding moments.

Category Sorting

All content is automatically organized by tags - bride, groom, guests, moments, emotions, and more - for easy browsing.

HOW IT WORKS

- You get a personalized event website

- A unique QR code is placed on the site

- Guests scan the QR code

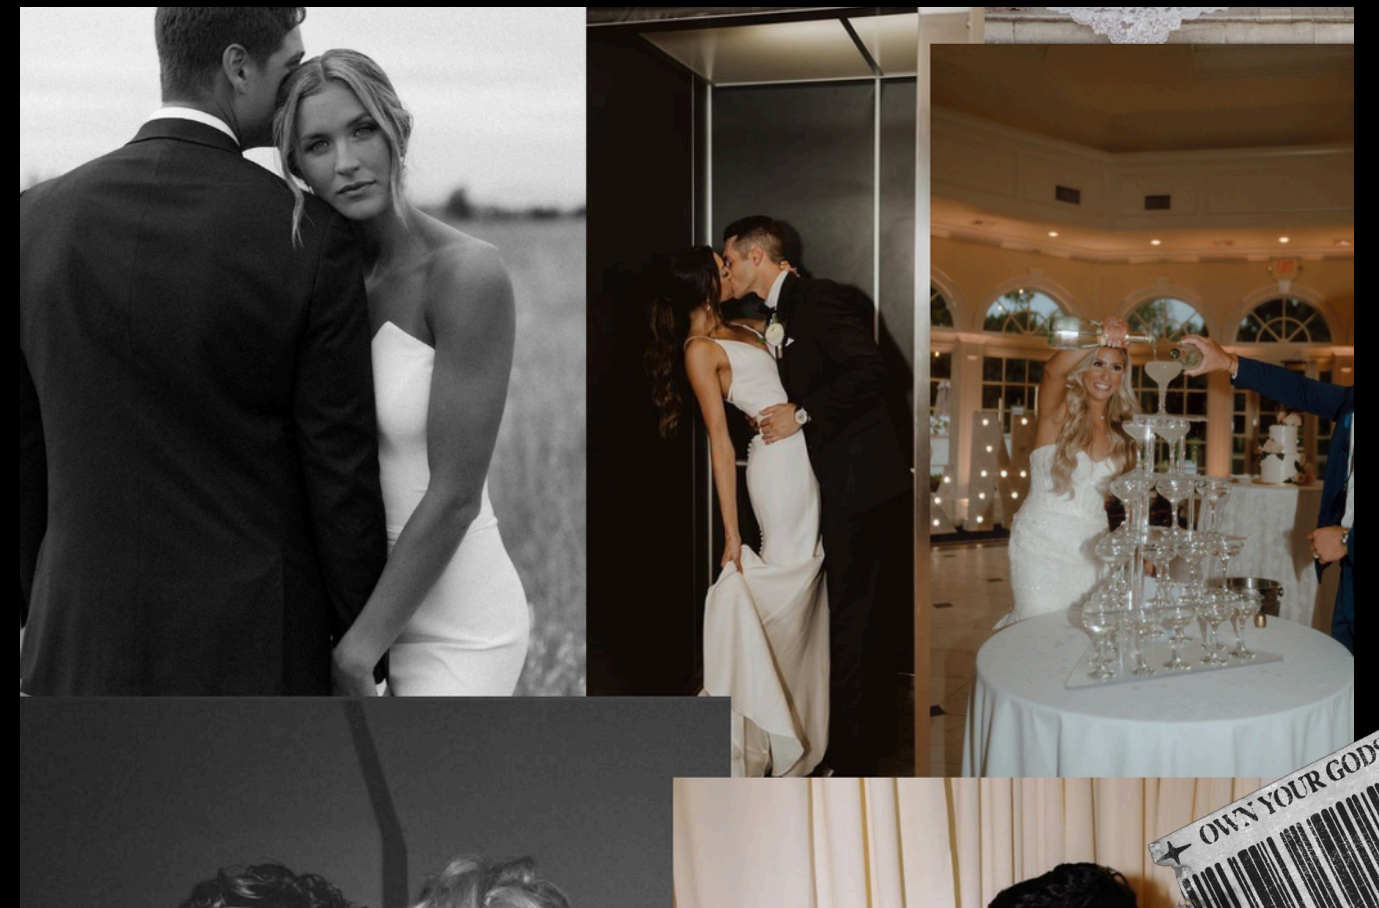

- Upload photos and videos

- Appear on the activity leaderboard

AFTER THE EVENT

- We export all photos and videos for you
- Create an archive of emotions - not a single moment missed

SUITABLE FOR ANY EVENT

This service brings any celebration to life — from family gatherings to large-scale events.

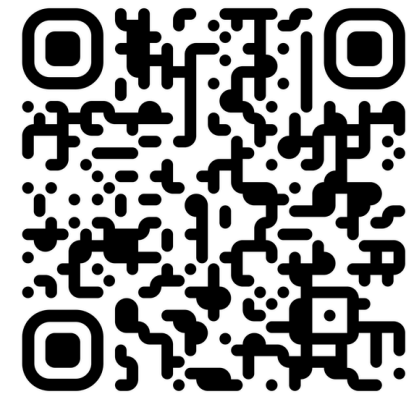

- Weddings
- Birthdays
- Graduations
- Cultural events
- Personal occasions, etc.

READY-MADE QR DESIGNS
